Sports Day – Thursday 10th July 2015

Sports day this year will be held at Herd Farm where young people (and staff) will face challenges such as "the leap of faith", "Assault Course" and "The Big Swing". Any questions please contact us!

Headingley Heros:

Lots of fun and great experience for some of our wonderful young people. Even in a packed stadium they found Mrs Holmes and her family and enjoyed a winning performance from our Yorkshire team. They really did themselves and Ormston proud. With fantastic behaviour, lots of questions, an appearance on the big screen and even some autographs. The only negative was the possible dent in the wallets of the families on all the treats!!!

School Book:

As a school we are taking part in the 'Our Class Book'. 'Our Class Book's' publishing programme offers a thrilling opportunity that captivates students. Each student contributes two pages, one of imaginative writing and another of creative illustration, culminating in a unique Class book. This is then published and will be available to purchase! We are so looking forward to sharing the work of our wonderful students. Please see consent form attached.

Tawny Owl:

Tawny Owl have been building imaginative settings in Construction Club, like this Pirate Ship complete with pirates and sea creatures.

Logan has been getting creative building a rocket ship after learning about the development of space technology in History.

We also made slime, practicing our accurate measuring and making scientific hypotheses after learning about polymers and chemical reactions.

STEAM Day – “Ormston Owl Festival” – 18th July 2025

Our Year 9 students have planned our final STEAM Day of the year on Friday 18th July 2025. It would be lovely if you could join us in the afternoon to celebrate our first Year at Ormston School. Please find all information on the poster below designed by our young people.

September Updates

We are currently hard at work planning for the new academic year, as part of our planning we have made a few adjustments to the school day. Please find the new times and daily routine below. We will also share this with transport and with young people nearer the time 😊

We are preparing to transition our Secondary learners to the Manor House building when this is complete, however please note that all young people will return to their classrooms and current set-up in September. Transition to the new "old" building will be carefully planned in the new academic year. Mr Brown looks forward to welcoming new students and staff to Ormston School in September 😊
