

Welcome Back!

I would like to welcome everyone back to Ormston School for I know what will be another fantastic year. We have received our draft Ofsted report and will shortly receive our final version. When this has been received, we will be in touch to arrange a parent carer meeting. I am sure you will spot our banner at the school entrance before I speak with you

School Dinners

From September our school dinners will be prepared by the Transport Kitchen, a selection of meals will be ordered to allow young people the choice to choose. Young people are welcome to bring in a pack up lunch however please note that we are a Nut, Orange. Chickpea and Sesame free school.

Parent Forums

The parent forum dates and times have been planned for this academic year. As we now have 40 learners this has been planned to take place on a Tuesday between 3.30 and 4.30. Please confirm attendance via the school office and indicate whether your child will be remaining in school (with a range of activities) or will be going back home as usual. You can contact the school office by phone or by emailing schooloffice@ormstonschool.co.uk

Parent Forums are an informal approach where parents, carers and school staff come together with the purpose of improving the experience of school for young people. The Parent Forum is a partnership between parents and the school. It will provide a valuable space to share ideas, views, share success, share general observations and make suggestions for improvement.

It serves as a platform for meaningful dialogue, collaboration, and partnership between families and the school.

Aims of the parent forum are:

- Work together to improve the experience and opportunities for young people
- Strengthen relationships and communication across the whole school community
- Facilitate the sharing of information, ideas, knowledge and skills
- Meet in a mutually supportive and respectful environment for open discussion
- Further improve communications between parents/carers and staff

The forum has no formal decision-making powers but will be an opportunity to be influential and influenced.

Who should be part of the parent forum?

Everyone who can make it, please let the school office know if you are attending and if you wish for us to make plans for your child to attend the after-school activities planned for these dates.

How often will the parent forum meet?

Dates have been planned for 2025 – 2026. The aim is to meet every term; additional meetings may be planned when key information is needing to be shared e.g. discussing the Ofsted Report and planning trips/residential activities.

The school will be responsible for the hosting of the forum and have planned forums in around staff availability and working hours. For anyone who cannot attend the forum minutes will be provided and updates will be shared in the school newsletter.

What will be discussed at the meetings?

Forum meetings will focus on matters that contribute to the development and improvement of the school, and to strengthening the partnership between home and school. The meetings will be informal and an opportunity for open discussion. The Forum is not a place to discuss concerns or complaints regarding an individual pupil, staff or family. A standard

agenda has been developed which will be reviewed at the end of each academic year as a community.

What will happen with the information shared?

Suggestions and feedback will be taken seriously. Relevant points will be shared with school staff team and governors; these will be followed up where possible. We'll keep you updated on any actions taken.
