

Letter to Parents – Staff and September

21 July 2026

Dear Parents and carers

I am writing to thank you for your continued support over the past year. Your encouragement, cooperation and ongoing partnership have been greatly appreciated, and they have made a real difference to the life of the school and to the progress of our young people.

As we come to the end of the academic year, we would also like to acknowledge the contributions of the staff who are moving on. We wish them every success and thank them sincerely for the commitment, care and professionalism they have shown during their time with us. At the same time, we are pleased to look ahead to welcoming new staff to the team in the new academic year.

I would also like to thank our agency TA staff who have helped us throughout the last term – some of them will be coming back in September. We currently have a number of Teaching Assistant vacancies. Teaching Assistants play a vital role in supporting pupils across the school, and we are keen to recruit the right people and those who are dedicated and share our values and commitment to high-quality education.

Thank you once again for all your support throughout the year. We value the strong relationship we have with our parents and carers, and we look forward to working with you in the year ahead.

Kind Regards

James Brown
